

BEYOND CCTV & BIO

BizEzi XNW9

**Weatherproof
Time & Attendance with
Access Control
Fingerprint Unit**

AT A GLANCE

- ☛ This model can be used in tough environment because of the **IP65** protection index and the wide range of operating temperatures and rain.
- ☛ It is an innovative biometric fingerprint reader for access control applications, offering unparalleled performance using advanced algorithm for reliability, precision and excellent matching speed.
- ☛ The model features the fastest commercial-based fingerprint matching algorithm and BIO high-performance, high-image quality optical fingerprint sensor.
- ☛ The device offers the flexibility to be installed standalone or with any third party panel that supports 26-bit wiegand.
- ☛ The user can be enrolled by administrator card when the device works as a standalone access control. TCP/IP and RS232/485 are available that the device can be used in different network.
- ☛ TCP/IP communication makes sure the data transition between the device and the PC is super quick
